Dream of Emotions - Relaxing Body Treatment > 75 min • 159€

This pampering body treatment reduces stress, soothes the senses, and awakens feelings of pure comfort. It leaves the skin soft and deeply moisturized. The treatment delights the senses with an enchanting world of fragrance that nurtures both body and mind.

It includes a relaxing full-body salt scrub followed by a body massage with a mesmerizingly scented body oil.

Peat Treatment for the Back > 45 min • 139€

A relaxing peat treatment focused on the back area. This treatment may help reduce pain, ease inflammation, and moisturize the skin. It includes warm Finnish treatment peat, soothing peat heat baths, and a back massage.

Peat Body Treatment > 75 min • 159€

A relaxing and invigorating full-body peat treatment in which the shoulders, back, and legs are treated with warm Finnish peat and soothing thermal baths. The treatment includes heated treatment peat, peat thermal baths, and a full-body massage, along with a head and hand massage. It effectively supports fluid removal, boosts metabolism and circulation, and may help ease body pain, reduce inflammation, and moisturize the skin.

Forest Bath - Body Treatment Experience > 90 min • 169€

A relaxing, forest-inspired body treatment that awakens all the senses. Your skin is pampered with a long, refreshing sugar scrub followed by a deeply relaxing body massage. The sensual forest fragrance, the invigorating scrub, and a massage that brings you to the edge of sleep carry your mind far from daily worries and create a truly holistic treatment experience. We use Finnish Unna Nordic natural cosmetics in this treatment.

Forest Experience, Treatment Package > 75 min • 149€

A relaxing forest-inspired treatment that engages all the senses. The experience begins with a soothing back massage, followed by a deep-cleansing and brightening peat-charcoal facial exfoliation. The skin is then pampered and hydrated with layered treatment waters infused with birch sap and regenerating serums. Deep relaxation continues with a facial massage scented with coniferous forest, after which a cooling face mask is applied.

While the mask works its magic, the hands are gently massaged. We use Finnish Unna Nordic natural cosmetics in this treatment.

Hot Stone Massage > 60 min • 129€

A deeply relaxing treatment in which the body is massaged with warm basalt stones. The heat softens muscles, boosts circulation, and effectively relieves tension. This treatment helps reduce stress, supports metabolism, and brings a holistic sense of well-being to the entire body. A perfect moment to pause and recover from the pace of everyday life.
