# Live Music & BBQ

We will grill different cuts of meat, low and slow - everything from brisket to short ribs. Traditional sides include coleslaw, mac 'n' cheese, potato salad, and a wide selection of fresh salads.

The food will be served sharing-style (sharing is caring), so bring your cowboy hat, boots, and a big smile.

*We recommend booking a table to get the best seat.  
If the weather allows, terrace seating is available,  
but places are limited.*
